**PRACTICES** Corporate, Capital Markets and Securities, Texas Corporate Governance

---

James Barnett is an associate in the Capital Markets and Securities Practice Group in the Dallas office of Haynes Boone. His practice primarily focuses on public and private securities offerings, as well as state and federal corporate governance and securities compliance matters, including initial public offerings, debt offerings, reporting obligations under the Securities Exchange Act of 1934, compliance with NYSE and NASDAQ listing standards and the preparation of filings with the SEC, FINRA and state securities offices. In addition, James assists with public and private companies in connection with mergers and acquisitions.
