PRACTICES Intellectual Property, Patents, Patent Litigation, Patent Office Trials, Social Media, Technology Transactions, Cloud Computing, Internet, Networking, Software, Medical Device and Technology, AI and Deep Learning, Vehicle Electrification, Streaming Media

Jonathan Bowser is a registered patent attorney focusing on patent litigation disputes before the Patent Trial and Appeal Board (PTAB) and federal district courts. Jonathan has been counsel in more than 150 AIA trials before the PTAB, representing both patent challengers and patent owners, and litigates appeals before the U.S. Court of Appeals for the Federal Circuit. He also prepares dispositive pleadings for patent litigation cases in federal district courts. Jonathan focuses on high-tech technologies including video coding, AI, camera, image processing, financial transactions, device security, wireless standards, networking, and medical device technologies. Jonathan is a frequent author and presenter on post-grant issues.
