PRACTICES Corporate, Capital Markets and Securities, Healthcare and Life Sciences, Medical Device and Technology, Technology

Alok Choksi is a counsel in the Corporate Practice Group in Haynes Boone's New York office.

His practice focuses on capital markets and securities, representing investment banks, domestic issuers (including special purpose acquisition companies) and foreign private issuers in equity securities offerings, including registered offerings (such as initial public offerings, follow-on offerings, confidentially marketed public offerings, registered direct offerings and at-the-market program offerings) and private placements (such as 4(a)(2) offerings, PIPEs and 144A/Regulation S offerings). He works with companies in a wide range of industries, including aviation, biopharma, biotech, consumer/retail, education, energy, healthcare, media/telecommunications, oil and gas, shipping and technology, among others.
