**PRACTICES** Intellectual Property, Patents, Patent Prosecution and Counseling, Patent Office Trials, Medical Device and Technology, Life Sciences, Biotechnology, Chemical

---

Brooke Cohen leverages her background in chemical and biomedical engineering to assist clients in a wide variety of technologies.

Brooke's practice focuses on patent prosecution and counseling. She is experienced prosecuting patents for medical devices, medical imaging technologies, artificial intelligence in the life sciences field, software, chemicals, and mechanical systems. Brooke has also counseled clients for IP transactions, product clearance and non-infringement.

---
