PRACTICES Investment Management

David Harris is an associate in the Investment Management Practice Group in Haynes Boone's London office.

His practice focuses on supporting early-stage companies, venture capital investors and funds, often in the technology sector, having gained experience in equity and debt investments, corporate structuring, the structuring of fund management groups, M&A and the establishment of investment funds.

David has a wealth of experience in advising managers and companies in relation to the making and taking of investments, as well as their internal governance and general counsel needs.
