PRACTICES Intellectual Property, Patents, Patent Prosecution and Counseling, Patent Office Trials, Technology Transactions, Technology, Streaming Media

Scott Jarratt helps clients both obtain and defend against technology-intensive patents. Drawing upon his industry experience, Scott represents some of the largest and most sophisticated companies in inter partes review proceedings (IPRs), and also helps resolve patent disputes across numerous technological fields. He was recently recognized as one of *The Best Lawyers in America* (Woodward/White, Inc., 2023-2025).

Patent Post-Grant Proceedings

Scott focuses his practice on IPRs and other post-grant proceedings before the Patent Trial and Appeal Board (PTAB). Named as one of the “*Best Performing Attorneys representing Petitioners*,” Scott ranks in the top 1% of PTAB attorneys in terms of statistical success (Patexia 2018, 2022, 2023). He serves as lead counsel to prominent companies involved in high-stakes disputes, and his hands-on advocacy has resulted in numerous successful outcomes. Scott seeks to drive the PTAB practice as a whole forward by serving on the Board of Directors for the PTAB Bar Association.

Patent Portfolio Evaluation and Prosecution

Scott also advises clients, both large and small, on patent portfolio matters and patent prosecution strategies. For example, he counsels clients through licensing conflicts by developing technical invalidity and non-infringement positions to drive favorable results. Scott has also prepared and prosecuted patent applications in a broad range of technological areas and advised clients building patent portfolios.

Technical Experience

Scott’s technical experience includes standards-essential wireless telecommunications (*e.g.*, LTE, UMTS), mobile applications and devices, HEVC (H.265), navigation systems, semiconductor devices and manufacturing, cloud computing, multimedia streaming, and medical devices.

Prior to attending law school, Scott was a software engineer at a Fortune 50 technology company where he developed enterprise security solutions.
