**PRACTICES** Intellectual Property, Patent Prosecution and Counseling, Patents, Design Patents, Mechanical

---

Tanner Luttrull is an associate in the Intellectual Property Practice Group in Haynes Boone's Dallas office.

His practice focuses on preparing and prosecuting U.S., Patent Cooperation Treaty (PCT) and foreign utility patent applications. Tanner's practice also includes design patent applications and general IP counseling.

Prior to law school, Tanner studied mechanical engineering at the University of Texas. During that time, he gained valuable experience working in the areas of mechanical system design and mass production for aerospace defense contractors.
