---

Shelley Rosensweig is global co-head of the Business Development Committee at Haynes Boone and the Co-Head of the New York Investment Management Practice Group. She structures, designs and organizes US and non-US private investment funds and assists clients with seed capital arrangements, the operation of managed account platforms and the organization and design of joint ventures, SPVs and other co-investment structures. Shelley also advises clients with respect to SEC, FINRA and CFTC regulatory and compliance matters, family office related matters, trading issues and employment matters. She further advises clients with respect to distribution and capital raising matters and other strategic initiatives.
