---

Kamden Segawa is an associate in the Intellectual Property Litigation Practice Group at Haynes Boone's Orange County office.

Kamden brings a blend of technical and legal acumen to complex intellectual property disputes. With a background in software engineering and a deep understanding of computer science and economics, Kamden is uniquely positioned to navigate the technical landscapes of intellectual property matters. He represents clients in patent, trademark, copyright, and trade secret disputes. He has worked on high-stakes intellectual property litigation involving computer hardware, digital communication systems, and software technologies, with experience across all phases of litigation, from pre-suit evaluation and discovery to trial and post-trial briefing.
