PRACTICES Investment Management

Tenzin is an associate in the Investment Management Practice Group in Haynes Boone's London office.

On the investment funds side, his primary focus has been on advising emerging managers on the structure and launch of venture capital funds across various jurisdictions and has also worked closely with various management teams and potential investors to provide a commercial legal advice throughout the duration of the fund.

Tenzin has also worked with early-stage companies on their financing rounds, both through equity and debt investments, and provided general ongoing support to aid the companies in their growth journey.
