PRACTICES Intellectual Property, Intellectual Property Litigation

Barry Zhang is an associate in the Intellectual Property Practice Group in the Dallas office of Haynes Boone. His practice is concentrated on patent litigation, with experience spanning every major patent forum, including U.S. district courts, the Patent Trial and Appeal Board (PTAB), and the International Trade Commission (ITC).

Barry has represented clients in a broad range of technological sectors, including life sciences, biotechnology, computer science, and mechanical engineering. He regularly contributes to all phases of litigation, from early strategy through trial, offering both technical fluency and litigation insight.

Barry's interdisciplinary background and litigation experience make him a valuable advocate in high-stakes intellectual property disputes.
