1L CALIFORNIA IP WEEKEND

FRIDAY, JULY 19 - SUNDAY, JULY 21

PROGRAM INFORMATION

- The California IP Weekend is a nationwide campaign to recruit 1L students for our Intellectual Property Practice Group in our Dallas, Orange County, Palo Alto, Richardson, and Washington, D.C. offices.
- The program will take place in San Francisco, California and will run the duration of two and a half days that will include panels and hands-on workshops with practitioners from the following practice areas from the Orange County, Palo Alto, and Texas offices: Patent Prosecution, IP Litigation, and Trademark. Mentoring opportunities will also be provided.
- 1L students should have a background in computer engineering, computer science, electrical engineering, physics, and/or have similar academic or industry experience.

INTELLECTUAL PROPERTY PRACTICE

- Approximately 120 intellectual property lawyers (litigators and transactional).
- More than 100 IP lawyers and patent agents are registered with the USPTO.
- Significant IP lawyer/agent presence in California, Texas, New York and Washington, D.C.
- We have a broad technology base that includes mechanical, electrical, telecom, software, microbiology, semiconductors, and chemicals.
- We apply an approach that is both practical and business-oriented, and grounded in our advanced technical knowledge. Our culture promotes teamwork, ensuring we match our clients’ needs to the best people to do their work.

“Participants invited to participate in the IP Weekend will have the opportunity to work with leading practitioners, and leave with a real sense of what it would be like to be an associate at Haynes and Boone. The program will include lectures and workshop-based training related to real-life intellectual property issues. Topics include patents, prosecution, and trademarks. There will be dedicated panels on essential soft skills including networking, mentoring, and leadership.”

- Brian Kwok, Hiring Partner Palo Alto Office
