PRACTICES Energy Litigation, Energy, Power and Natural Resources, Litigation, Oil and Gas, Oil and Gas Litigation, Trials

D.J. Beaty focuses on litigating disputes within the upstream sector of the oil and gas industry. He has handled matters across the nation for energy clients and is an experienced trial lawyer who has tried cases to juries and the bench, arbitrated to final award, and managed appeals in state and federal courts. D.J. also regularly advises clients outside of litigation on issues arising under industry agreements.

-

SELECTED CLIENT REPRESENTATIONS

- Obtained affirmance of bankruptcy court's summary judgment for E&P client in lawsuit for underpayment of royalties and failure to act as a reasonably prudent operator under a Louisiana oil and gas lease.
- Secured favorable settlement for E&P client in lawsuit concerning damage to an Eagle Ford oil and gas well during completions operations.
- Obtained reversal of multimillion-dollar trial judgment in title dispute concerning interests in three Oklahoma horizontal wells.
- Advised E&P client concerning continuous-development obligations and other lease-compliance issues under several significant Eagle Ford leases.
- Obtained summary judgment for three plaintiffs in DTPA action arising from an Alaskan bear hunt.
- Obtained favorable settlement and stipulation of interest for E&P client in lawsuit concerning underpayment of revenues from wells in an East Texas gas field.
- Obtained partial directed verdict and take-nothing jury verdict for client at trial in environmental-contamination suit in the Texas Panhandle.
- Secured favorable multimillion-dollar settlement in a lawsuit against a service company for damages caused to client's Pennsylvania well during perforating operations.
- Defended client in \$240 million dispute with international partner concerning the development of a Texas gas field through court proceedings and a final arbitration award, ultimately limiting

damages to less than 1% of that sought by opponent.

- Obtained dismissal of direct-liability claims against client in consumer-protection class action filed in an Oklahoma federal court.
 - Obtained injunction prohibiting landowners from threatening E&P client's employees and ensuring client's access to well site.
 - Secured emergency relief to permit environmental testing of a well pad by E&P client in Texas Panhandle.
 - Obtained summary judgment in an area-of-mutual-interest dispute involving a portfolio of overriding royalty interests in East Texas and successfully defended the judgment on appeal.
 - Obtained dismissal of numerous claims asserted against E&P client in federal court by a non-operator concerning a group of Barnett gas wells.
 - Obtained directed verdict in jury trial concerning the formation and performance of land-sale contract.
 - Obtained summary judgment against claims of corporate-officer liability in suit concerning a commercial property development.
 - Obtained arbitration award for E&P client and successfully defended all counterclaims in multimillion-dollar accounting and development dispute.
-
