PRACTICES Energy, Power and Natural Resources, Energy Finance, Commodities, Oil and Gas, Corporate, Renewable Energy, Traditional Power, Energy Transition, Asset Securitization

Roy Schwartz is an associate in the Energy, Power and Natural Resources Practice Group in the Houston office of Haynes Boone. His practice includes a broad variety of energy-related transactions, including crude oil, natural gas and renewable energy. Roy represents financial institutions and commodity trading companies in structured financings, derivatives transactions and other corporate matters.

Roy has represented clients in the negotiation of power purchase agreements, senior secured hedge facilities and prepaid commodities transactions. His recent representations include secured assetbased financings, long term oil and gas purchase and sale agreements, and a variety of other matters concerning gathering, transportation and marketing of crude oil, natural gas liquids and natural gas.

He is experienced in negotiating and documenting ISDA Master Agreements, Schedules and associated annexes and credit support documents for hedging and trading in commodities, including the negotiation of commodity hedge facilities in connection with reserve-backed securitizations and assetbased senior debt financing. Roy also negotiates credit support arrangements, security agreements and intercreditor agreements among borrowers, lenders and hedge providers.
