PRACTICES Energy, Power and Natural Resources, Project Finance and Development, Oil and Gas, Liquefied Natural Gas (LNG), Mining and Metals, Renewable Energy, Traditional Power, Energy Transition, Hydrogen, Sports Law, Carbon Capture, Utilization, and Storage (CCUS), Finance

Shu Shu Wong is a counsel in the Energy, Power and Natural Resources Practice Group in the London office of Haynes Boone.

Her practice focuses on the renewables and oil and gas sectors, particularly on the structuring and execution of joint ventures and equity investments and disposals of companies and assets throughout the energy chain. She has been involved in a range of international projects transactions, including major government projects, across the UK, Europe, the Middle East, Africa, Asia and the Americas.

Shu Shu previously spent six months on secondment in Beijing where she worked on various outbound investment projects involving Chinese state-owned enterprises and international energy companies. She is a regular contributing author to a number of industry journals and her articles have recently been published in *Energy Voice*, *Law360*, *NS Energy*, the *Journal of World Energy Law & Business* and *Offshore Energy Today*.
